

Daybreak Point Bible Camp Society on Anvil Island, Howe Sound

March 25, 2019

To Whom It May Concern:

**Re: Daybreak Point Bible Camp Society - Criminal Record Checks**

---

Daybreak Point Bible Camp Society is a non-profit volunteer society that runs twelve camps from June 29<sup>th</sup> through to September 29<sup>th</sup> for children and teens ages nine through nineteen. Each weekly camp is staffed by different groups of volunteer people, all who volunteer their time to come and serve at our camp (in fact they pay \$65 to come and work) in volunteer non-paid positions. We run a variety of activities such as sporting events, water skiing, canoeing and also provide Christian education. Our Volunteer Staff must supervise children and young adults and, therefore, we take every precaution to ensure the safety of the campers.

Our camp is located on Anvil Island in Howe Sound, adjacent to Lions Bay. We require \_\_\_\_\_ (*volunteer staff member*) to obtain a Criminal Record Checks as they are in a position of authority over children. Please ensure Vulnerable Sector Search is conducted. If required, the mailing address to send the check is:
