To Whom It May Concern:

**Re: Daybreak Point Bible Camp Society - Criminal Record Checks**

---

Daybreak Point Bible Camp Society is a non-profit volunteer society that runs summer camps from July 2<sup>nd</sup> through to September 5<sup>th</sup> for children and teens ages eight through nineteen. Each weekly camp is staffed by different groups of volunteer people, all who volunteer their time to come and serve at our camp (in fact they pay a fee to come and work) in volunteer non-paid positions. We run a variety of activities such as sporting events, water skiing, canoeing and we also provide Christian education. Our Volunteer Staff must supervise children and young adults and, therefore, we take every precaution to ensure the safety of the campers.

Even though our camp is located on Anvil Island in Howe Sound, adjacent to Lions Bay, many of our campers come from the municipalities of the lower mainland including a significant number from the City of Surrey. Since we work with children, we require \_\_\_\_\_ (*volunteer staff member*) to obtain a Criminal Record Checks as they are in a position of authority over children. Please ensure Vulnerable Sector Search is conducted. If required, the mailing address to send the check is:
